

EAST TROY

COMMUNITY SCHOOL DISTRICT

Committed to the Growth & Success of Each Student, Each Year

2015-16*

Community Partnerships

District Initiative, Community Partnerships: Developing and utilizing relevant and meaningful learning experiences that align to our learning targets and promote higher order thinking – exploration, application, critical-thinking, problem solving, innovation and creation by strengthening partnerships with business and industry professionals, college and university representatives, district-level decision makers, school personnel, parents, students, and alumni. Ensuring our education goes beyond the school classroom.
