

Life after High School

...

What should I do?

Senior Survey

Seniors - if you have not already taken the senior survey please take it now. It has been sent to your school email or you can use the following link to access it.

Thank you to those of you who already have taken it and thank you for taking it now.

Planning Early is Key!!

1. Take Career Assessment to determine your career cluster/pathway

<http://www.wistechcolleges.org/explore-careers/career-interest-questionnaire>

Now that you know your career pathway/cluster you should:

1. Attend Monthly Career Panels during resource to ask questions to professionals that work in specific clusters (listen to announcements for dates).
2. Job shadow/ Interview someone that has a job you may want to do. Ask to go visit their job.
3. RESEARCH! How much schooling is needed for the job you want? How much will the schooling cost? What are the requirements to get accepted into a particular major? Are there a lot of jobs available in the cluster you want?
4. Talk with your counselor for suggestions

2nd Semester Schedule

Please check your 2nd semester schedule

Make sure if you are in a year long class that you have it on your schedule

Make sure your electives align with your Career Path

Check that you have a class each hour - check to make sure you are not taking a class over

If you need your schedule adjusted please set up a time to see your counselor.

No schedule changes will be made at the start of 2nd semester - with a few exceptions. Examples of exceptions may be - failed 1st semester of a class.
